Re: Rosa, Jorge L. DOB: 12/11/1984

The above-named individual was seen by me on 12/13/18 for a mental health intake evaluation. At that moment he was recommended to bi-weekly individual therapy. He attended sessions scheduled on 01/15/19 and 02/12/19. He did not show up to his last appointment scheduled on 03/05/2019. On 05/21/2019 our office sent a letter to him indicating that due to regulations, clients should see their provider at least once every 120 days. At that moment client did not have any future appointments scheduled and did not schedule any future appointments. For this reason, client was discharged on 06/18/2019. Client is welcomed to restart his episode of treatment at our facility at any time. Should he opt for this, he should contact our office at 717-851-1500 to schedule a new intake appointment.
